

Maumee Valley Planning Organization | MOBILITY MANAGER POSITION
Accepting applications between August 3,2020 through August 28, 2020

Job Description:

Seeking qualified candidate to work with local partners to improve/increase transportation service for persons with disabilities, older adults, low income individuals, and other segments of the population by ensuring that communities coordinate transportation resources. This position covers the counties of Defiance, Fulton and Henry in Northwest Ohio and time will be split evenly between the three counties. This position will be responsible for Mobility Management which, under the Federal Transit Administration (FTA) definition: 'consists of short-range planning, management activities and projects for improving coordination among public transportation and other transportation service providers with the intent of expanding the availability of services.' This position, funded by the FTA, the Ohio Department of Transportation (ODOT) is contingent upon continued future grant funding and development of local resources.

Minimum Qualifications:

A bachelor's degree from an accredited college or university in Social Work, Transportation/Urban Planning, Business/Public Administration, or Transportation Logistics or other related field is preferred, but not required, as relevant experience will be considered. Must have a valid driver's license, highly proficient in computer skills, excellent interpersonal, written, and verbal communication skills, public speaking ability, and demonstrated ability to work independently and with others in an effective manner.

Compensation:

This is a full-time position and offers Ohio Public Employees Retirement System benefits, as well as Health insurance, County paid term life insurance, paid vacation, sick and holiday leave.
